No. Rc. 36869/48.K.2, dated 8.11.1948.

Sir,

Sub: Cumbly Weaving Industry - Bellary District - Designer for Cumbly Weavers Societies - Fixation of pay in time scale.

...

Government sanctioned the post of a designer to render technical assistance to all the 8 Cumbly Weavers' Societies in the districts of the Ellore Pile Carpet Weavers' Society. This post is being continued by Government from year to year on my recommendation. In their G.O. Ms. No. 1614, Development Department, dated 1.4.48, Government last extended the period to 31.3.49. The pay of the designer has been fixed at Rs. 100/- per mensem without a time scale of increment.

2. The Designer has represented to me that his pay has been fixed at a particular sum, ~~that he has been fixed at a particular sum~~, that he has been continuing in the post for the past 3 years, and that he has not been given any increment. He has also reported that his pay has not been taken up for revision along with other non-gazetted Government servants when G.O. No. 78, Finance dated 6.2.1947 was passed by Government. He has therefore requested that his pay may be brought on to the time scale of 125-5-175.

3. The designer has to attend to the development of the 8 Cumbly Weavers Societies spread over 5 districts. The Bislahalli Cumbly Weavers' Society has established a Cumbly Weaving Factory to evolve elegant designs and manufacture improved varieties of woollen fabrics. The factory needs constant technical assistance and supervision. All the societies are in need of the services of the designer for some more time for their proper working and development and therefore the designer may have to be retained. I shall submit proposals for the extension of services of the designer in due course beyond 31.3.1949, the period sanctioned in G.O.Ms.No. 1614, Development, dated 1.4.48.

4. The present designer was appointed to the post on 24.7.1945 he joined duty on 27.7.1945. In view of the fact that no time scale has been fixed, the pay has remained stationary at Rs. 100/- per mensem all these 3 years. The designer has undergone the Supervisor's course for 2 years in Government Textile Institute and passed the examination. He has passed the higher Grade Government Technical Examination in Pile Carpet Weaving. I suggest that the post of the designer may be brought on to a time scale. As the work required of the designer has considerably increased in view of the qualifications of the designer, I suggest that the initial pay be fixed at Rs. 125/- in the time scale of Rs. 125-5-175. I request Government to approve of my proposal.
